### **Macomb County Executive appoints new finance director**

Macomb County Executive Mark A. Hackel has appointed Stephen Smigiel as the new finance director for Macomb County.

Smigiel, who has served as interim finance director for Macomb County since September 2014, has guided the county through the largest bond sale in its history when, in March 2015, \$263 million in bonds were issued to secure retiree health care obligations for the future. Prior to serving as interim finance director, Smigiel was the assistant finance director for the county from March 2011 to September 2014. From August 1997 to March 2011, Smigiel served the county as accounting manager.

“Steve has a wealth of experience that makes him the natural choice for this position,” said Executive Hackel. “We are pleased to have him now overseeing our Finance Department.”

Smigiel has a bachelor of business administration with a concentration in accounting from the University of Michigan, Flint. He is also a certified public accountant.

The Macomb County Board of Commissioners is expected to approve Executive Hackel’s appointment at the full board meeting this evening.
