MSU Extension Spring Plant Exchange returns

MSU Extension's (MSUE) Master Gardeners are hosting a Spring Plant Exchange where attendees can bring healthy plants to share and exchange with other gardeners.

The Spring Plant Exchange will take place, rain or shine, from 9 a.m.-noon on Saturday, June 3 in the north parking lot of the VerKuilen Building, 21885 Dunham Road, Clinton Township.

Attendees should label all plant material with plant name and growing information. Master Gardener and Master Composter volunteers will be on hand to answer questions.

The general public is welcome to attend. The event is free, and no registration is necessary. For more information, call the MSUE Gardening Hotline at (586) 469-5063 Mondays, Wednesdays or Fridays.

Michigan State University Extension (MSUE) brings educational programs to residents, empowering them to improve their lives and community. County-based MSUE staff, in concert with on-campus faculty members, serve residents with programming focused on agriculture, natural resources, children, youth, families, community and economic development.
